

## Model: AVC-FST-1018

This Multifunctional TV Trolley offers complete solution by serving a variety of projection needs for business, schools and other places. The versatile presentation cart allows you to hold meetings with A/V support or simply to display information. The elliptical aluminium column is sturdy and strong. Its solid base is covered with decorative caps and the large locking wheels provide smooth and stable movement of the Trolley. It is included height adjustable panel mount support for TVs upto 65 inches and allows a +/-15 degrees of viewing angle adjustment. It also includes a height adjustable glass shelf and a camera shelf.
