

1 Coax RG-11 High-Resolution Cable

FALCON FC COAX-112 is a high resolution RG-11 style coaxial cable is perfect for long distance runs that require precision performance with analog or digital video signals.

- Quality Construction - 15 AWG center Solid conductor and dual shield design consisting of Tinned copper braid and foil.

CONSTRUCTION	
Coax Center Conductor	: 15 AWG, 1/1.62 mm Annealed Tinned Copper.
Dielectric	: Polyethylene
Shield	: 50% Coverage with Aluminium foil & Ally with Jelly Coated
Outer Jacket	: PVC
Outer Jacket Colour	: Black / As Per Customer
DIAMETERS	
Center Conductor	: 1.62 mm
Dielectric	: 7.30 mm (Nom.)
Outer Jacket Diameter	: 10.30 mm (Nom.)
ELECTRICAL	
Impedance	: 75 Ω
DC Resistance (Max.) At 20°C	: 8.20 Ω -km
Capacitance	: 16.1 pF/Mtr.
Temperature	: -15° to 70° Celsius.
Insulation Resistance Const.(Min.) At 20°C	: 5000 M Ω -km
